

Dear Exhibitor:

In a continued attempt to streamline the process at the Tulare County Fair, we are again offering preferred parking at this year's Fair. The Preferred lot will be located directly east of the livestock barns in the closest lot. The preferred parking will give you an assigned parking place for one vehicle for the duration of the Fair. Space locations will be on a first come first serve basis and size of vehicle. This pass is non-transferable between cars or ownership. If the parking pass is removed from the vehicle the pass becomes null and void.

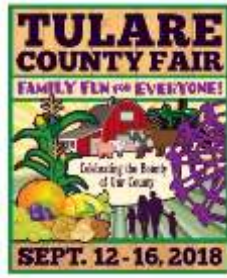

New applicant parking will be available, August 1st on a first come first serve basis. We only have a certain number of spaces available, so we suggest getting your application in early. You will be notified by email if you received your space. Payment must be received with application.

We need your vehicle measurement from the middle of the front bumper to the middle of the back bumper. Your measurements will be confirmed during the Fair. If you arrive at the Fair and your vehicle has changed and does not fit in the space you automatically forfeit your space, and all fees associated with the parking space. The Preferred parking price prior to the Fair are \$100.00 until September 1st, onsite prices will be \$125.00.

If you have any questions, regarding the Preferred parking please call the office. Please make sure everything is correct with your request, there are no refunds for any Preferred parking. The Fair reserves the right to change, cancel, or reject any application. To be considered for a Preferred spot all balances with the Fair must be paid in full.

Sincerely,

Pamela Fyock
CEO, Tulare County Fair

Parking Application

Name of Person Renting Space: _____
