

Good Afternoon,

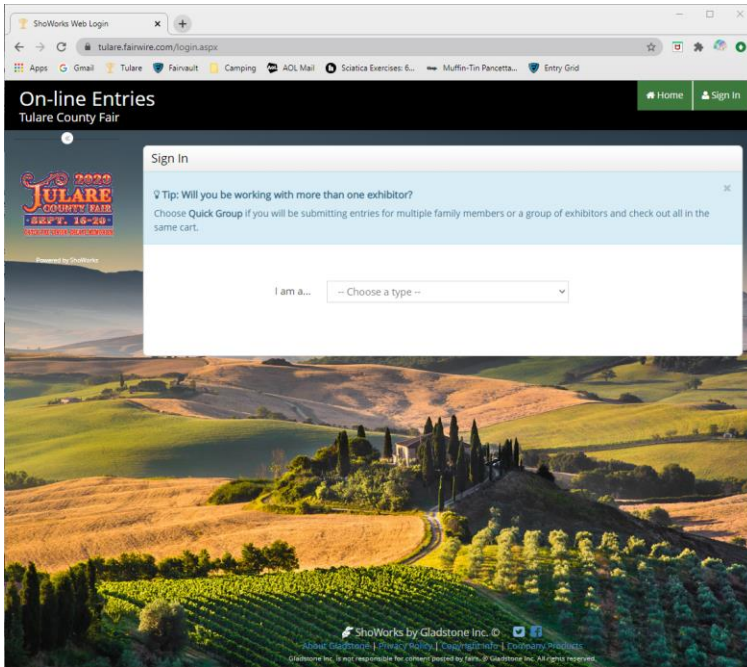

Due to the current Covid-19 epidemic The Tulare County Fair has decided on a modified Fair for 2020. As we progress with the auction, details will be provided at [www.tcfair.org](http://www.tcfair.org). These are very unique times and we appreciate the commitment of our buyers as we work to ensure our exhibitors have a platform to sell their animals.

The Tulare County Fair uses ShoWorks, an on-line entry program. ShoWorks has been trusted to accurately enter exhibitors into our competitions and allows for efficient communications via e-mail.

ShoWorks can now register buyers for our upcoming online Junior Livestock Auction.

Please use the following link to access that website for buyer preregistration. <https://tulare.fairwire.com/>.

From the drop down menu (screen shown below), select "I am a ..." Buyer.

You will now see the screen below. If you are a previous buyer, you will select your buyer name from this drop down menu or type in the name to quickly go to your name in the list. An email was sent to the email we have on file with your temporary password. Follow the prompts to finish preregistering.

If you are a new buyer you will check the box that says "I am a new buyer". Follow the prompts to finish registration.
