JUNIOR DEPARTMENT

Must register online by the Deadline Date.

1. The Independent Junior Divisions are restricted to exhibitors under 19 years of age as January 1, of the current year who are not members of recognized junior farm organizations such as FFA, 4-H, Grange, etc. for the project(s) being entered. Older teens may prefer to enter Adult Departments but then cannot ever again enter the Junior Department.
2. **School projects must be entered in the school's divisions ONLY.**
3. Exhibitors will forfeit all awards earned if they enter and exhibit items in like classes in the independent junior department and 4-H or FFA classes. For example, an exhibitor may enter Independent Junior Baked Foods classes and 4-H Photography classes but may not enter both Independent Junior and 4-H Baked Foods classes.
4. Each entry in these Divisions shall have been made or produced by the exhibitor not more than 1 year prior to opening day of the fair. Entries shall be made online. The age (as of January 1 of the current year) and grade (as of September of the current year) of the exhibitor must appear on the entry.
5. State and local rules and scorecards (available from the department supervisor) shall be used unless otherwise provided in these Divisions.
6. All entries must have been made, collected or prepared by the exhibitor in accordance with the requirements or recommendations of that project program. Entries that require packaging and labeling, such as food preservation and entomology, must be done in accordance with directions and recipes in project manuals and outlines. Carefully check the recommendations for kind and size of container, and method of labeling. Only standard containers, specifically designed for that purpose, will be accepted.
7. Fair management reserves the right to refuse the display of any work it deems unsuitable in any division.
8. **JUDGING:**
 - a) At every opportunity, the value of the blue ribbon should be stressed. The blue ribbon represents, or should represent, the perfection for which the junior exhibitors are striving in their projects. The educational and moral value of achieving this perfection should result in a future economic return, which will be far greater than the immediate return in the form of cash awards.

JUNIOR DEPARTMENT

- b) **DANISH JUDGING SYSTEM** will be used in all Divisions and Classes. A Best of show will be selected from all of the first place winner in each Class of the Division. A MAXIMUM of two (2) premiums per exhibitor per class will be paid unless stated otherwise. It is based upon established standards of quality for each type of product. In this system each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits. The following guidelines shall be used by the judge(s).

	Quality	Score	Ribbon
1st Place	Superior	90%-100%	Blue
2nd Place	Good	80%-89%	Red
3rd Place	Average	70%-79%	White

9. Independent juniors may enter 4-H or FFA Divisions if none are available in Open Junior Divisions.

JUNIOR CLOTHING AND TEXTILES

1. Each exhibit is to be listed separately and identified by name (dress, crochet pillowcase, etc.) on entry form.
2. Cleanliness: Exhibits that are soiled will be disqualified and not displayed.
